Dear Parents/Carers

Reports

We are now coming towards the end of the first term of this academic year, which means that teachers are currently assessing students' progress. As usual, all progress and full written reports are published on Firefly, for which you should all have login details. If this is not the case, then please get in touch with us on firefly@hwga.org.uk.

Currently, progress reports for years 9, 10 and 12 can be found on Firefly and on 6 December, progress reports for students in years 7 and 8 will be published as well. Those of you who have a daughter in year 11 and/or 13 will know that she is sitting her mock examinations at the moment, which will be followed by a full written report for parents/carers. These reports will be published at the parents' consultation evening on Thursday 17 January 2019. You will get further information on that event in due course.

If you do have any questions about the above, please do not hesitate to contact us.

Yours sincerely

Nicola Walters

Headteacher
