Dear Parents/Carers,

The online world is posing an ever-increasing risk to children and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers and how to act safely when using the internet.

We are therefore delighted to announce that King Edward VI Handsworth Wood Girls' Academy has shown our commitment to protecting our pupils online and have worked with National Online Safety to deliver an interactive online workshop for all of our parents and carers.

The course can be taken at your own convenience and covers:

- Information about online dangers and the newest platforms
- What online risks to look out for and how to protect your child
- Interactive quizzes to check your understanding
