

## KING EDWARD VI HANDSWORTH WOOD GIRLS' ACADEMY

### National School Breakfast Programme Covid response: promotion for schools

#### Covid response under the National School Breakfast Programme

Our school has signed up to receive free healthy breakfast food as part of the Covid response offer, under the National School Breakfast Programme (NSBP), which is being delivered by the charities Family Action and Magic Breakfast.

As part of this government funded programme, schools can choose to offer children a healthy breakfast at school or at home.

Our plan is to offer take home packs to any students who wish to take them so that they are able to have a morning breakfast each day. This will consist of a pack of five fresh bagels and five cereals. As we are a nut free school all breakfast ingredients will be nut free. **This offer is open to all students – I hope all students will take advantage of this.**

The benefits of a healthy breakfast include children being settled and ready to learn at the start of the day.

If you would like your child to receive breakfast packs please complete the tear off slip below and return it to your **child's Form Tutor by Friday 9<sup>th</sup> October 2020**. Once your child is registered they will receive packs on a fortnightly basis.

Kind regards

Mrs J Humpherson

Director of Student Welfare and Wellbeing (Lead DSL).
