

Dear Parent/Carers,

### Support study sessions

I would like to inform you that there are two extra sessions available for Year 11 students, these will be held in the Library for one hour after school, every Tuesday and Thursday. It is for 1 hour, from 3.10 to 4.10pm and it's aim is to support all Year 11 students who would like to work/revise in a quiet learning area. Alternatively, students may wish to seek advice and support on study skills, organisation, revision strategies and timetables, one to one support will be available in these sessions.

If you wish you daughter to attend both or either of these sessions, please complete the consent form below or alternatively email me your consent on [mredican@hwga.org.uk](mailto:mredican@hwga.org.uk). I hope that the Y11 students will take advantage of this extra support opportunity to prepare for their future GCSE success next year.

Please make arrangements for your child to get home safely after the sessions. I would like to thank you in advance for your support in this matter.

Yours sincerely

Ms M Redican  
Head of Key Stage 4 and Psychology
