# Centre Policy for Determining Teacher Assessed Grades in Summer 2021

## Background

A-level, AS-level and GCSE qualifications in Summer 2021 will be awarded by teacher assessed grades. Every centre is required to have a Centre Policy which reflects its individual circumstances. This policy takes account of the guidance provided in the document: *JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for summer 2021*.

## Statement of Intent

### Statement of Intent

This section provides details of the purpose of this document, as appropriate to our centre:

The purpose of this policy is:

- To ensure that teacher assessed grades are determined fairly, consistently, free from bias and effectively within and across departments.
- To ensure the operation of effective processes with clear guidelines and support for staff.
- To ensure that all staff involved in the processes clearly understand their roles and responsibilities.
- To support teachers to take evidence-based decisions in line with Joint Council for Qualifications guidance.
- To ensure the consideration of historical centre data in the process, and the appropriate decision making in respect of, teacher assessed grades.
- To support a high standard of internal quality assurance in the allocation of teacher assessed grades.
- To support our centre in meeting its obligations in relation to equality legislation.
- To ensure our centre meets all requirements set out by the Department of Education, Ofqual, the Joint Council for Qualifications and awarding organisations for Summer 2021 qualifications.
- To ensure the process for communicating to candidates and their parents/carers how they will be assessed is clear, in order to give confidence.

## Roles and Responsibilities

This section of our Centre Policy outlines the personnel in our centre who have specific roles and responsibilities in the process of determining teacher assessed grades this year.

- Our Head of Centre has overall responsibility for the academy as an examinations centre and will ensure that clear roles and responsibilities of all staff are defined.
- Our Head of Centre will confirm that teacher assessed grade decisions represent the academic judgement made by teachers and that the checks in place ensure these align with the guidance on standards provided by awarding organisations.
- Our Head of Centre will ensure a robust internal quality assurance process has been produced and signed-off in advance of results being submitted.

#### **Senior Leadership Team and Heads of Department**

Our Senior Leadership Team and Heads of Departments will:

- provide training and support to our other staff.
- support the Head of Centre in the quality assurance of the final teacher assessed grades.
- ensure an effective approach within and across departments and authenticating the preliminary outcome from single teacher subjects.

- ensure that all teachers within their department make consistent judgements about student evidence in deriving a grade.
- ensure all staff conduct assessments under the appropriate levels of control with reference to guidance provided by the Joint Council for Qualifications.
- ensure teachers have the information required to make accurate and fair judgments.
- ensure that a Head of Department Checklist is completed for each qualification that they are submitting.

#### **Teachers/ Specialist Teachers / SENCo**

Our teachers, specialist teachers and SENCo will:

- ensure they conduct assessments under our centre's appropriate levels of control and have sufficient evidence, in line with this Centre Policy and guidance from the Joint Council for Qualifications, to provide teacher assessed grades for each student they have entered for a qualification.
- ensure that the teacher assessed grade they assign to each student is a fair, valid and reliable reflection of the assessed evidence available for each student.
- make judgements based on what each student has been taught and what they have been assessed on, as outlined in the section on grading in the main JCQ guidance.

- produce an Assessment Record for each subject cohort, that includes the nature of the assessment evidence being used, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students will also be recorded.
- securely store and be able to retrieve sufficient evidence to justify their decisions.

### ***Examinations Officer***

Our Examinations Officer will:

- be responsible for the administration of our final teacher assessed grades.
- communicate results to students on the appointed Joint Council for Qualifications results days in August, as usual.
- manage post-results services, student queries and appeals.

## Training, Support and Guidance

This section of our Centre Policy outlines the training, support and guidance that our centre will provide to those determining teacher assessed grades this year.

### **Training**

This section provides details of the approach our centre will take to training, support and guidance in determining teacher assessed grades this year.

- Teachers involved in determining grades in our centre will attend any centre-based training to help achieve consistency and fairness to all students.
- Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations.
- Heads of Department will have training delivered internally by the Deputy Headteacher to ensure a centre approach to determining teacher assessed grades.
- All internal training delivered will be disseminated through middle leaders and training resources shared through TEAMS to relevant members of staff.
- Support and guidance will be offered on a 1 to 1 basis to Heads of Departments during the process of determining teacher assessed grades by the Deputy Headteacher and Assessment Lead.
- King Edward VI Academy Trust will support the Assessment Lead and Deputy Headteacher with links across the foundation through Basecamp communication and scheduled meetings.
- King Edward VI Academy Trust will forge subject links on Basecamp between departments across the MAT.
- The Consultant Headteacher within King Edward VI Academy Trust has made links with the Deputy Headteacher to support and agree the assessment and grading plans.
- Our training, support and guidance is linked to the Trust's 12 principles of assessment and grading policy, which has been determined by Assessment leads and Headteacher's across our partnering schools.

### **Support for Newly Qualified Teachers and teachers less familiar with assessment**

This section provides details of our approach to training, support and guidance for newly qualified teachers and teachers who are less familiar with assessment

- We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment.
- We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.
- Standardisation and moderation processes will be covered in detail during weekly departmental meetings.
- Joint marking will be in place across all departments with particular support for NQTs.

## Use of Appropriate Evidence

This section of our Centre Policy indicates how our centre will give due regard to the section in the JCQ guidance entitled: *Guidance on grading for teachers*.

### A. Use of evidence

This section gives details in relation to our use of evidence.

- Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, and further guidance provided by awarding organisations.
- All candidate evidence used to determine teacher assessed grades, and associated documentation, will be retained and made available for the purposes of external quality assurance and appeals.
- We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.
- We will use non-exam assessment work (often referred to as coursework), even if this has not been fully completed.
- We will use student work produced in centre-devised tasks: that reflect the specification, that follow the same format as awarding organisation materials and have been marked in a way that reflects awarding organisation mark schemes.
- We will use substantial classwork or homework (including work that took place during remote learning).
- We will use internal tests taken by pupils.
- We will use mock exams taken over the course of study.
- We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.

We provide further detail in the following areas:

#### Use of Additional Assessment Materials (AAM)

- We will use additional assessment materials to give students the opportunity to show what they know, understand or can do in an area of content that has been taught but not yet assessed.
- We will use additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.
- We will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete.
- We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that hasn't been taught.

Our centre will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:

We will consider the level of control under which an assessment was completed, for example, whether the evidence was produced under high control and under supervision or at home.

- We will ensure that we are able to authenticate the work as the student's own, especially where that work was not completed within the school or college.
- We will consider the limitations of assessing a student's performance when using assessments that have been completed more than once, or drafted and redrafted, where this is not a skill being assessed.
- We will consider the specification and assessment objective coverage of the assessment.
- We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.
- We will use alternative evidence if required and complete the variations for individual students form detailing the rationale for this decision.

## Determining Teacher Assessed Grades

This section of our Centre Policy outlines the approach our centre will take to awarding teacher assessed grades.

### **Awarding teacher assessed grades based on evidence**

We give details here of our centre's approach to awarding teacher assessed grades.

- Our teachers will determine grades based on evidence which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.
- Our teachers will record how the evidence was used to arrive at a fair and objective grade, which is free from bias.
- Our teachers will produce an Assessment Record for each subject cohort and will share this with their Head of Department. Any necessary variations for individual students will also be shared.
- We will have at least four weekly standardised assessments across the whole cohort in each subject where possible and one controlled assessment period.
- The controlled conditions assessments will be scheduled over a 2-week period for the weeks beginning 17 and 24 May. There will be one 90 minute assessment for each level 1/2 qualification and two 90 minute assessments for each level 3 A Level qualification.

## Internal Quality Assurance

This section of our Centre Policy outlines the approach our centre will take to ensure internal standardisation of teacher assessed grades, to ensure: consistency, fairness and objectivity of decisions.

### Head of Centre Internal Quality Assurance and Declaration

#### **Internal quality assurance**

This section gives details of our approach to internal standardisation, within and across subject departments.

- We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.
- In subjects where there is more than one teacher and/or class in the department, we will ensure that our centre carries out an internal standardisation process.
- We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to:
  - Arriving at teacher assessed grades
  - Marking of evidence
  - Reaching a holistic grading decision
  - Applying the use of grading support and documentation
- We will conduct internal standardisation across all grades.
- We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.
- Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).
- Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).
- Where there is only one teacher involved in marking assessments and determining grades, then the output of this activity will be reviewed by an appropriate member of staff within the centre.
  - This will be Ms Sally Yates (Deputy Headteacher)
- In respect of equality legislation, we will consider the range of evidence for students of different protected characteristics that are included in our internal standardisation.

## Comparison of Teacher Assessed Grades to Results for Previous Cohorts

This section of our Centre Policy outlines the approach we will take to compare our teacher assessed grades in 2021 with results from previous cohorts.

### Comparison of Teacher Assessed Grades to results for previous cohorts

This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.

- We will compile information on the grades awarded to our students in past June series in which exams took place (e.g. 2017 - 2019).
- We will consider the size of our cohort from year to year.
- We will consider the stability of our centre's overall grade outcomes from year to year.
- We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.
- Analysis of grading will be conducted using FFT & SISRA services. Sandeep Cooner, the AHT for data and raising standards will monitor the teacher-assessed grades to identify divergent grade data and instruct relevant leaders to provide narratives of outcomes.
- We will prepare a succinct narrative on the outcomes of the review against historic data which, in the event of significant divergence from the qualifications-levels profiles attained in previous examined years, which address the reasons for this divergence. This commentary will be available for subsequent review during the QA process.

This section gives details of the approach our centre will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.

- We will compile historical data giving appropriate regard to potential mixtures of A\*-G and 9-1 grades in GCSE's. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.
- We will bring together other data sources that will help to quality assure the grades we intend to award in 2021.

*This section gives details of changes in our cohorts that need to be reflected in our comparisons.*

- We will omit subjects that we no longer offer from the historical data.
- We will discuss subjects which have only recently been offered and compare them against more recent data
- We will consider KS2 starting points to inform standardisation of assessments

## Access Arrangements and Special Considerations

This section of our Centre Policy outlines the approach our centre will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

### **Reasonable adjustments and mitigating circumstances (special consideration)**

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when assessments are being taken.
- Where an assessment has taken place without an agreed reasonable adjustment or access arrangement, we will remove that assessment from the basket of evidence and alternative evidence obtained.
- Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.
- We will record, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.
- To ensure consistency in the application of Special Consideration, we will ensure all teachers have read and understood the document: [JCQ – A guide to the special consideration process, with effect from 1 September 2020](#)

## Addressing Disruption / Differential Lost Learning (DLL)

### **B. Addressing Disruption/Differentiated Lost Learning (DLL)**

This section gives details of our approach to address disruption or differentiated lost teaching.

- Teacher assessed grades will be determined based on evidence of the content that has been taught and assessed for each student.
- Where a student has had mitigating circumstances or lost teaching due to COVID 19, we will use supplementary assessment evidence from the course.
- We will detail any variations of individual students on the relevant form which will show individualised rationale.

## Objectivity

This section of our Centre Policy outlines the arrangements in place to ensure objectivity of decisions.

### **Objectivity**

This section gives a summary of the arrangements in place within our centre in relation to objectivity.

Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.

Senior Leaders, Heads of Department and Centre staff will consider:

- sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);
- how to minimise bias in questions and marking and hidden forms of bias; and
- bias in teacher assessed grades.

To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware that:

- unconscious bias can skew judgements;
- the evidence presented should be valued for its own merit as an indication of performance and attainment;
- teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;
- unconscious bias is more likely to occur when quick opinions are formed; and

Our internal standardisation process will help to ensure that there are different perspectives to the quality assurance process.

## Recording Decisions and Retention of Evidence and Data

This section of our Centre Policy outlines our arrangements for recording decisions and for retaining evidence and data.

### **C. Recording Decisions and Retention of Evidence and Data**

This section outlines our approach to recording decisions and retaining evidence and data.

- We will ensure that teachers and Heads of Departments maintain records that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades.
- We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught.
- We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.
- We will comply with our obligations regarding data protection legislation.
- We will ensure that the grades accurately reflect the evidence submitted.
- We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s).

## Authenticating Evidence

### **D. Authenticating evidence**

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- *Robust mechanisms, which will include signed declaration from teachers and Heads of Department that the work submitted as evidence is authentic. Alongside the Assessment Evidence Record will indicate a range of student work that is from L,M,H levels of control. Finals under controlled conditions will form part of the evidence base when determining teacher assessed grades which will have 20% of each cohort anonymised to support blind moderation. These mechanisms will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors.*
- *It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations of each examination board to support these determinations of authenticity.*

## Confidentiality, Malpractice and Conflicts of Interest

### Confidentiality

This section of our Centre Policy outlines the measures in place to ensure the confidentiality of the grades our centre determines, and to make students aware of the range of evidence on which those grades will be based.

### *Conflicts of Interest*

This section of our Centre Policy outlines the measures in place to address potential conflicts of interest.

#### **C. Conflicts of Interest**

This section details our approach to addressing conflicts of interest, and how we will respond to such allegations.

- To protect the integrity of assessments, all staff involved in the determination of grades must declare any conflict of interest, such as relationships with students, to our Head of Centre for further consideration.
- Our Head of Centre will take appropriate action to manage any conflicts of interest arising with centre staff in accordance with the JCQ document [General Regulations for Approved Centres, 1 September 2020 to 31 August 2021](#).
- We will also consider carefully the need to separate duties and personnel to ensure fairness in later process reviews and appeals.

## Private candidates

This section of our Centre Policy outlines our approach to working with Private Candidates to arrive at appropriate grades.

### A. Private Candidates

This section details our approach to providing and quality assuring grades to Private Candidates.

- Our arrangements for assessing Private Candidates to arrive at appropriate grades are identical to the approaches utilised for internal candidates.
- Where it has been necessary to utilise different approaches, the **JCQ Guidance on Private Candidates** has been followed and any divergences from our approach for internal candidates have been recorded on the appropriate class/student documentation.
- In undertaking the review of cohort grades in conjunction with our centre results profiles from previous examined years, the grades determined by our centre for Private Candidates have been excluded from our analysis.

## External Quality Assurance

This section of our Centre Policy outlines the arrangements in place to comply with awarding organisation arrangements for External Quality Assurance of teacher assessed grades in a timely and effective way.

### A. External Quality Assurance

- All staff involved have been briefed on the possibility of interaction with awarding organisations during the different stages of the External Quality Assurance process and can respond promptly and fully to enquiries, including attendance at Virtual Visits should this prove necessary.

- Arrangements are in place to respond fully and promptly to any additional requirements/reviews that may be identified as a result of the External Quality Assurance process.
- *Staff have been made aware that a failure to respond fully and effectively to such additional requirements may result in further action by the awarding organisations, including the withholding of results.*
