

## 16-19 Tuition Fund 2021 to 2022 Academic Year

What is the 16-19 Tuition Fund?

The Education and Skills Funding Agency (ESFA) has made funding available schools to support students who have had their learning affected by the Coronavirus pandemic. The tuition fund is ring- fenced funding for schools, colleges and all other 16-19 education providers to mitigate the disruption to learning arising from coronavirus (Covid-19).

Who can be supported by this fund?

The funding is to support small group tuition for students aged 16 to 19 in English, maths and other subjects that have been disrupted, including vocational, technical and/or academic learning. Students aged 19 to 24 who have an education, health and care (EHC) plan are also eligible for support.

Support is being prioritised where students:

- have not achieved a grade 4 or 5 in English and/or maths
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch up support
- will benefit most from small group tuition, and particular regard is being given to the requirements of disadvantaged students and students with special educational needs and disabilities (SEND).

How King Edward VI Handsworth Wood Girls' Academy will be using the fund?

In accordance with the conditions laid out by the fund, we will provide:

- GCSE Math and English masterclasses
- Small group Tuition on a 1:3 ratio
- Support for SEND and High Needs students
- Vocational courses catch-up sessions for knowledge and skills development
- Study skills sessions to support academic progress
