This helpline offers you and your family counselling and advice on a variety of personal, family or workplace issues.

The service is paid for by your employer and is provided by a professional organisation, *Wellbeing Solutions Management*. There is no cost to you and all calls are confidential.

Whatever our age, background or role in life, from time to time we all have problems – whether personal, family, or work-related. Talking to a counsellor or an advisor can help us understand a problem, try a different approach or just learn how to cope with a situation that we can't change. Our aim is to help you find your own solution to whatever is worrying you.

## Confidentiality

This is a confidential and anonymous service provided by an independent organisation. No personal or identifying information is communicated to your employer.

Only in the most extreme and unusual circumstances would your confidentiality and anonymity ever be broken, for example, if our clinical professionals considered that you may be a significant danger to yourself or others around you. In these circumstances, you would be informed when this happens.

## How to get Support

### Making Contact:

You and any family member (living at your address and aged over 16) can contact the Employee Assistance Helpline 24-hours a day, 365 days a year. We'll ask for the name of your employer and a convenient time for one of our counsellors or advisors to call you back.

Alternatively you can book an appointment online: [employeeassistance.org.uk](https://employeeassistance.org.uk)

### Emotional Support:

If you would like the support of a counsellor, we will arrange a telephone counselling session at a time to suit you. Our counsellor may recommend further counselling sessions to help you overcome a more troubling issue.

### Practical Advice:

If you need professional advice or factual information on any legal, money, health, work or personal issue, we can arrange for a free telephone consultation with one of our many specialist advisors.
